Announcements

94th Annual Meeting

**American Academy of Otolaryngology—Head and
Neck Surgery**

September 9–13, 1990

San Diego Convention Center

San Diego, California

At this year's meeting, the scientific program will include presentations on the latest surgery and treatment of the ears, nose, throat, and head and neck region; 485 instruction courses; exhibits; and research programs. The featured presentations will include such topics as the care of and the ethical issues involved in treating the AIDS patient, treatment of early cancer of the oral cavity, and evaluation and management of new abnormal thyroid growths.

For further information, please contact: American Academy of Otolaryngology-Head and Neck Surgery, One Prince Street, Alexandria, VA 22314, or telephone (703) 836-4444.

Trauma '90:

Point and Counterpoint IX

September 19–22, 1990

Taj Mahal

Atlantic City, New Jersey

This in-depth program will focus on the evaluation and treatment of high-priority aspects of multiple-system injury and current methods of diagnosis and management of complex injuries. It will meet the criteria for 24 hours of Category I credit as outlined by the Accreditation Council for Continuing Medical Education.

For further information, please contact: Carol Williams, Trauma Department, American College of Surgeons, 55 East Erie Street, Chicago, IL 60611, or telephone (312) 664-4050, extension 342.

Annual Clinical Congress

American College of Surgeons

October 7–12, 1990

Fairmont Hotel and the San Francisco

Hilton and Towers

San Francisco, California

Included among the many offerings at the 1990 Annual Clinical Congress will be 21 postgraduate courses; approximately 24 general sessions of interest to all surgeons, including a summary of "What's New in Surgery"; panel discussions and symposia in various surgical specialties; and numerous scientific and technical exhibits.

For further information, please contact: American College of Surgeons, 55 East Erie Street, Chicago, IL 60611-2797, or telephone 312-664-4050.
