

Subject Index

A

ABDOMINAL AORTIC ANEURYSM

Preliminary Results of Zenith Fenestrated Abdominal Aortic Aneurysm Endovascular Grafts, 417

ABDOMINAL SURGERY

Predictive Factors for Failure of Percutaneous Drainage of Post-operative Abscess after Abdominal Surgery, 915

ABDOMINAL WALL RECONSTRUCTION

Abdominal Wall Reconstruction in the Obese: An Assessment of Complications from the National Surgical Quality Improvement Program datasets, 467

ACUTE CHOLECYSTITIS

Can Ultrasound Common Bile Duct Diameter Predict Common Bile Duct Stones in the Setting of Acute Cholecystitis?, 432

ACUTE KIDNEY INJURY

Incidence, Risk Factors, and Outcomes of Perioperative Acute Kidney Injury in Noncardiac and Nonvascular Surgery, 53

ADENOMA

Differential Expression of MicroRNA-320a, -145, and -192 Along the Continuum of Normal Mucosa to High-Grade Dysplastic Adenomas of the Colorectum, 717

ADULT

Preoperative Evaluation of Thyroglossal Duct Cysts: Children versus Adults—is There a Difference?, 902

ADVERSE EVENTS

Detecting Adverse Events in Surgery: Comparing Events Detected by the Veterans Health Administration Surgical Quality Improvement Program and the Patient Safety Indicators, 584

AGGRESSIVE MANAGEMENT

Fatal Gunshot Wound to the Head: The Impact of Aggressive Management, 89

ALFACALCIDOL

Randomized Controlled Trial of Alfacalcidol Supplementation for the Reduction of Hypocalcemia after Total Thyroidectomy, 39

AMYAND'S HERNIA

Amyand's Hernia: A Review, 989

AMYOTROPHIC LATERAL SCLEROSIS

Final Analysis of the Pilot Trial of Diaphragm Pacing in Amyotrophic Lateral Sclerosis with Long-Term Follow-up: Diaphragm Pacing Positively Affects Diaphragm Respiration, 393

ANASTOMOSIS

Complications of Hartmann Takedown in a Decade of Preferred Primary Anastomosis, 60

ANASTOMOTIC LEAKAGE

Anastomotic Leaks: Technique and Timing of Detection, 371
Oncologic Impact of Anastomotic Leakage in Rectal Cancer Surgery According to the Use of Fibrin Glue: Case-Control Study Using Propensity Score Matching Method, 840

ANATOMY

Anatomic Resection Reduces the Recurrence of Solitary Hepatocellular Carcinoma 5 cm without Macrovascular Invasion, 863

ANTIBIOTICS

A Randomized Trial of Antibiotic Prophylaxis for the Prevention of Surgical Site Infection after Open Mesh-Plug Hernia Repair, 476

ANTICOAGULATION

Antiplatelet and Anticoagulation Medications and the Surgical Patient, 95

ANTIPLATELET

Antiplatelet and Anticoagulation Medications and the Surgical Patient, 95

APPENDECTOMY

Meta-analysis of Randomized Trials on Single-Incision Laparoscopic versus Conventional Laparoscopic Appendectomy, 613

APPENDICEAL CARCINOID TUMORS

Postoperative Surveillance of Small Appendiceal Carcinoid Tumors, 342

APPENDICITIS

The Effect of Race on Outcomes for Appendicitis in Children: A Nationwide Analysis, 748

APTITUDE

The Impact of Aptitude on the Learning Curve for Laparoscopic Suturing, 263

ARTIFICIAL ENDOCRINE PANCREAS

Perioperative Intensive Insulin Therapy Using an Artificial Endocrine Pancreas with Closed-Loop Glycemic Control System: The Effects of No Hypoglycemia, 935

ASSESSMENT

Abdominal Wall Reconstruction in the Obese: An Assessment of Complications from the National Surgical Quality Improvement Program datasets, 467

Standardized Methodological Assessment of Research Presentations (SHARP): Development of a New Instrument, 964

ATYPIA

Should Atypia of Undetermined Significance be Subclassified to Better Estimate Risk of Thyroid Cancer?, 331

B**BARIATRIC SURGERY**

Cognitive Function after Bariatric Surgery: Evidence for Improvement 3 Years after Surgery, 870

The Cost of Bariatric Medical Tourism on the Canadian Healthcare System, 743

BEHAVIORS

The Impact of Brief Team Communication, Leadership and Team Behavior Training on Ad Hoc Team Performance in Trauma Care Settings, 170

BENIGN EUTHYROID GOITER

Quality of Life after Thyroid Surgery in Women with Benign Euthyroid Goiter: Influencing Factors Including Hashimoto's Thyroiditis, 974

BILE DUCT STONE

Can Ultrasound Common Bile Duct Diameter Predict Common Bile Duct Stones in the Setting of Acute Cholecystitis?, 432

BILIARY DYSFUNCTION

The Role of Endoscopic Biliary Sphincterotomy for the Treatment of Type 1 Biliary Dysfunction (Papillary Stenosis) With Or Without Biliary Stones, 65

BILIARY DYSKINESIA

Long-Term Efficacy of Laparoscopic Cholecystectomy for the Treatment of Biliary Dyskinesia, 366

BILIARY STONES

The Role of Endoscopic Biliary Sphincterotomy for the Treatment of Type 1 Biliary Dysfunction (Papillary Stenosis) With Or Without Biliary Stones, 65

BLEEDING ESOPHAGOGASTRIC VARICES

Unshuntable Extrahepatic Portal Hypertension Revisited: 43 Years' Experience with Radical Esophagogastrectomy Treatment of Bleeding Esophagogastric Varices, 46

BLOOD GLUCOSE

The Better Effect Of Roux-en-Y Gastrointestinal Reconstruction on Blood Glucose of Nonobese Type 2 Diabetes Mellitus Patients, 877

BLOODSTREAM INFECTIONS

Reducing the Rate of Catheter-Associated Bloodstream Infections in a Surgical Intensive Care Unit Using the Institute for Healthcare Improvement Central Line Bundle, 817

BLUNT TRAUMA

Interhospital Transfer of Blunt Multiply Injured Patients to a Level 1 Trauma Center Does Not Adversely Affect Outcome, 459

BODY MASS INDEX

Obesity, Outcomes and Quality of Care: Body Mass Index Increases the Risk of Wound-Related Complications in Colon Cancer Surgery, 17

Pre-Resection Gastric Bypass Reduces Postresection Body Mass Index But Not Liver Disease in Short Bowel Syndrome, 942

BREAST BIOPSY

Rates and Indications for Surgical Breast Biopsies in a Community-Based Health System, 499

BREAST CANCER

Evaluating Population-Based Breast Cancer Surgical Practice in Real Time with a Web-Based Synoptic Operative Reporting System, 693

Experience with Partial Breast Irradiation for Treatment of Breast Cancer at a Community-Based Cancer Center, 682

Influence of Nurse Navigation on Wait Times for Breast Cancer Care in a Canadian Regional Cancer Center, 686

Personalized Medicine for Breast Cancer: It is a New Day!, 321
Surgical, Oncologic, and Cosmetic Differences Between Oncoplastic and Nononcoplastic Breast Conserving Surgery in Breast Cancer Patients, 398

BREAST CANCER SURVEILLANCE CONSORTIUM

Upgrade of High-Risk Breast Lesions Detected on Mammography in the Breast Cancer Surveillance Consortium, 24

BREAST-CONSERVING SURGERY

Surgical, Oncologic, and Cosmetic Differences Between Oncoplastic and Nononcoplastic Breast Conserving Surgery in Breast Cancer Patients, 398

BREAST LESION

Upgrade of High-Risk Breast Lesions Detected on Mammography in the Breast Cancer Surveillance Consortium, 24

BREAST RECONSTRUCTION

The Effect of Timing of Postmastectomy Radiation on Implant-Based Breast Reconstruction: A Retrospective Comparison of Complication Outcomes, 408

BREAST-SPECIFIC GAMMA IMAGING

Breast-Specific Gamma Imaging is a Cost Effective and Efficacious Imaging Modality When Compared with MRI, 698

C**CALCIUM**

Normocalcemic Hyperparathyroidism: Preoperatively a Disease, Postoperatively Cured?, 673

CANADIAN REGIONAL CANCER CENTER

Influence of Nurse Navigation on Wait Times for Breast Cancer Care in a Canadian Regional Cancer Center, 686

CANCER CARE

Influence of Nurse Navigation on Wait Times for Breast Cancer Care in a Canadian Regional Cancer Center, 686

CANCER RECURRENCE

Routine Restaging PET/CT and Detection of Initial Recurrence in Sentinel Lymph Node Positive Stage III Melanoma, 549
Tumor Growth Pattern as Predictor of Colorectal Liver Metastasis Recurrence, 493

CAROTID BODY PARAGANGLIOMAS

Surgical Resection of Carotid Body Paragangliomas: 10 Years of Experience, 293

CATHETER

Reducing the Rate of Catheter-Associated Bloodstream Infections in a Surgical Intensive Care Unit Using the Institute for Healthcare Improvement Central Line Bundle, 817

CENTRAL LINE BUNDLE

Reducing the Rate of Catheter-Associated Bloodstream Infections in a Surgical Intensive Care Unit Using the Institute for Healthcare Improvement Central Line Bundle, 817

CENTRAL VENOUS CATHETERIZATION

Instructional Design Affects the Efficacy of Simulation-Based Training in Central Venous Catheterization, 782

CENTRAL VENOUS CATHETER PLACEMENT

Do More with Less: A Surgery Directed Institutional Model for Resident Central Line Training, 243

CERTIFICATION

Hand Motion Patterns of Fundamentals of Laparoscopic Surgery Certified and Noncertified Surgeons, 226

CERVICAL SPINAL CORD

Complete Cervical Spinal Cord Injury Above C6 Predicts the Need for Tracheostomy, 664

CHEST TUBE

Evaluation of Chest Tube Administration of Tissue Plasminogen Activator to Treat Retained Hemothorax, 960

CHILDREN

The Effect of Race on Outcomes for Appendicitis in Children: A Nationwide Analysis, 748
Preoperative Evaluation of Thyroglossal Duct Cysts: Children versus Adults—is There a Difference?, 902

CHOLECYSTECTOMY

Development of a Knowledge, Skills, and Attitudes Framework for Training in Laparoscopic Cholecystectomy, 790
Long-Term Efficacy of Laparoscopic Cholecystectomy for the Treatment of Biliary Dyskinesia, 366
Risk Factors for Umbilical Trocar Site Incisional Hernia in Laparoscopic Cholecystectomy: A Prospective 3-Year Follow-up Study, 1

CHRONIC PAIN

The Contribution of Rib Fractures to Chronic Pain and Disability, 659

CLOSED-LOOP GLYCEMIC CONTROL SYSTEM

Perioperative Intensive Insulin Therapy Using an Artificial Endocrine Pancreas with Closed-Loop Glycemic Control System: The Effects of No Hypoglycemia, 935

CLOSTRIDIUM DIFFICILE

Life after Colectomy for Fulminant *Clostridium Difficile* Colitis: A 7-Year Follow Up Study, 533

COAGULOPATHY

Acute Coagulopathy in a Porcine Venous Hemorrhage and Ischemia Reperfusion Model, 637
The International Normalized Ratio Overestimates Coagulopathy in Patients after Major Hepatectomy, 723

COGNITIVE FUNCTION

Cognitive Function after Bariatric Surgery: Evidence for Improvement 3 Years after Surgery, 870

COLECTOMY

Incremental Cost of Complications in Colectomy: A Warranty Guided Approach to Surgical Quality Improvement, 422
Life after Colectomy for Fulminant *Clostridium Difficile* Colitis: A 7-Year Follow Up Study, 533

COLITIS

Life after Colectomy for Fulminant *Clostridium Difficile* Colitis: A 7-Year Follow Up Study, 533

COLON CANCER

The Impact of Model for End-Stage Liver Disease-Na in Predicting Morbidity and Mortality Following Elective Colon Cancer Surgery Irrespective of Underlying Liver Disease, 520
Obesity, Outcomes and Quality of Care: Body Mass Index Increases the Risk of Wound-Related Complications in Colon Cancer Surgery, 17
Predictive Utility of Cyclo-Oxygenase-2 Expression by Colon and Rectal Cancer, 712

COLONOSCOPY

Can Endoscopists Accurately Self-Assess Performance During Simulated Colonoscopic Polypectomy? A Prospective, Cross-Sectional Study, 32

COLORECTAL CANCER

Comparison of Clinicopathological Characteristics and Prognosis Between Early and Late Recurrence after Curative Surgery for Colorectal Cancer, 922
Peritumoral Deposits as an Adverse Prognostic Indicator of Colorectal Cancer, 70

COLORECTAL LIVER METASTASIS

Tumor Growth Pattern as Predictor of Colorectal Liver Metastasis Recurrence, 493

COLORECTAL SURGERY

Predicting the Unpredictable: Comparing Readmitted Versus Non-Readmitted Colorectal Surgery Patients, 346

COLORECTUM

Differential Expression of MicroRNA-320a, -145, and -192 Along the Continuum of Normal Mucosa to High-Grade Dysplastic Adenomas of the Colorectum, 717

COMMON BILE DUCT

Can Ultrasound Common Bile Duct Diameter Predict Common Bile Duct Stones in the Setting of Acute Cholecystitis?, 432

COMMUNICATION

The Impact of Brief Team Communication, Leadership and Team Behavior Training on Ad Hoc Team Performance in Trauma Care Settings, 170

COMMUNITY-BASED CANCER CENTER

Experience with Partial Breast Irradiation for Treatment of Breast Cancer at a Community-Based Cancer Center, 682

COMMUNITY HOSPITAL

Surgical Pulmonary Embolectomy in a Community Hospital, 337

COMPLICATIONS

Complications of Hartmann Takedown in a Decade of Preferred Primary Anastomosis, 60

The Effect of Timing of Postmastectomy Radiation on Implant-Based Breast Reconstruction: A Retrospective Comparison of Complication Outcomes, 408

Incremental Cost of Complications in Colectomy: A Warranty Guided Approach to Surgical Quality Improvement, 422

COMPUTED TOMOGRAPHY

Preoperative Computed Tomography Does Not Predict Resectability in Peritoneal Carcinomatosis, 760

Routine Restaging PET/CT and Detection of Initial Recurrence in Sentinel Lymph Node Positive Stage III Melanoma, 549

COST ANALYSIS

Breast-Specific Gamma Imaging is a Cost Effective and Efficacious Imaging Modality When Compared with MRI, 698

Cost and Logistics of Implementing a Tissue-Based American College of Surgeons/Association of Program Directors in Surgery Surgical Skills Curriculum for General Surgery Residents of All Clinical Years, 201

CURRICULUM

American College of Surgeons/Association for Surgical Education Medical Student Simulation-Based Surgical Skills Curriculum Needs Assessment, 165

Cost and Logistics of Implementing a Tissue-Based American College of Surgeons/Association of Program Directors in Surgery Surgical Skills Curriculum for General Surgery Residents of All Clinical Years, 201

Development of an Evidence-Based Curriculum for Training of Ward-Based Surgical Care, 213

A Mentorship-Based Preclinical Elective Increases Exposure, Confidence, and Interest in Surgery, 179

CYCLO-OXYGENASE-2

Predictive Utility of Cyclo-Oxygenase-2 Expression by Colon and Rectal Cancer, 712

CYTOREDUCTIVE SURGERY

Peritoneal Carcinomatosis in Patients with Gastric Cancer, and the Role for Surgical Resection, Cytoreductive Surgery, and Hyperthermic Intraperitoneal Chemotherapy, 78

D**DECISION MAKING**

Validity and Reliability of a Novel Written Examination to Assess Knowledge and Clinical Decision Making Skills of Medical Students on the Surgery Clerkship, 236

DEMOGRAPHY

Changing Relationship of Pediatric Surgical Workforce to Patient Demographics, 275

DESMOID TUMOR

Prognostic Factors Influencing Event-Free Survival and Treatments in Desmoid-Type Fibromatosis: Analysis From a Large Institution, 847

DIABETES

The Better Effect Of Roux-en-Y Gastrointestinal Reconstruction on Blood Glucose of Nonobese Type 2 Diabetes Mellitus Patients, 877

Diabetes is Not Associated with an Increased Peri-Operative Mortality or Non-Infectious Morbidity Following Lower Extremity Arterial Reconstruction, 573

DIAGNOSIS

Readmission after Delayed Diagnosis of Surgical Site Infection: A Focus on Prevention Using the American College of Surgeons National Surgical Quality Improvement Program, 832

DIAPHRAGM PACING

Final Analysis of the Pilot Trial of Diaphragm Pacing in Amyotrophic Lateral Sclerosis with Long-Term Follow-up: Diaphragm Pacing Positively Affects Diaphragm Respiration, 393

DIAPHRAGM RESPIRATION

Final Analysis of the Pilot Trial of Diaphragm Pacing in Amyotrophic Lateral Sclerosis with Long-Term Follow-up: Diaphragm Pacing Positively Affects Diaphragm Respiration, 393

DISABILITY

The Contribution of Rib Fractures to Chronic Pain and Disability, 659

DIVERTING STOMA

Failing to Reverse a Diverting Stoma after Lower Anterior Resection of Rectal Cancer, 708

D-SHAPE ASYMMETRIC EXCISION

D-Shape Asymmetric and Symmetric Excision with Primary Closure in the Treatment of Sacrococcygeal Pilonidal Disease, 882

E**ECONOMIC ACTIVITY**

A Booming Economy Means a Bursting Trauma System: Association Between Hospital Admission for Major Injury and Indicators of Economic Activity in a Large Canadian Health Region, 653

ELECTIVE SURGERY

The Impact of Model for End-Stage Liver Disease-Na in Predicting Morbidity and Mortality Following Elective Colon Cancer Surgery Irrespective of Underlying Liver Disease, 520

Medicare Post-Discharge Deaths and Readmissions Following Elective Surgery, 326
 Patient Experiences after Hospitalizations for Elective Surgery, 855

ELECTRONIC DISCHARGE SUMMARY

Timeliness and Quality of Surgical Discharge Summaries after the Implementation of an Electronic Format, 7

EMERGENCY DEPARTMENT

Emergency Department Pericardial Drainage for Penetrating Cardiac Wounds is a Viable Option for Stabilization, 931

Emergency Department Referral for Organ Donation: More Organ Donors and More Organs Per Donor, 728

EMERGENCY SURGERY

Enhanced Postoperative Recovery Pathways in Emergency Surgery: A Randomised Controlled Clinical Trial, 807

Invited Commentary On "Enhanced Postoperative Recovery Pathways in Emergency Surgery: A Randomized Controlled Clinical Trial," 815

ENDOCRINE SURGERY FELLOWSHIP PROGRAM

Techniques of Parathyroid Exploration At North American Endocrine Surgery Fellowship Programs: What the Next Generation is Being Taught, 527

ENDOSCOPISTS

Can Endoscopists Accurately Self-Assess Performance During Simulated Colonoscopic Polypectomy? A Prospective, Cross-Sectional Study, 32

ENDOSCOPY

The Role of Endoscopic Biliary Sphincterotomy for the Treatment of Type 1 Biliary Dysfunction (Papillary Stenosis) With Or Without Biliary Stones, 65

ENDOVASCULAR GRAFTS

Preliminary Results of Zenith Fenestrated Abdominal Aortic Aneurysm Endovascular Grafts, 417

ENTEROATMOSPHERIC FISTULA

Staged Management of the Open Abdomen and Enteroatmospheric Fistulae Using Split-Thickness Skin Grafts, 504

ESOPHAGECTOMY

Esophagectomy in Patients with Prior Percutaneous Endoscopic Gastrostomy Tube Placement, 361

Esophagectomy Outcomes at a Mid-Volume Cancer Center Utilizing Prospective Multidisciplinary Care and a 2-Surgeon Team Approach, 380

EVENT-FREE SURVIVAL

Prognostic Factors Influencing Event-Free Survival and Treatments in Desmoid-Type Fibromatosis: Analysis From a Large Institution, 847

EXTRAHEPATIC PORTAL HYPERTENSION

Unshuntable Extrahepatic Portal Hypertension Revisited: 43 Years' Experience with Radical Esophagogastrectomy Treatment of Bleeding Esophagogastric Varices, 46

EYE MOVEMENTS

Expert Surgeon's Quiet Eye and Slowing Down: Expertise Differences in Performance and Quiet Eye Duration During Identification and Dissection of the Recurrent Laryngeal Nerve, 187

F

FACULTY

Faculty and Resident Evaluations of Medical Students on a Surgery Clerkship Correlate Poorly with Standardized Exam Scores, 231

FATAL GUNSHOT WOUND

Fatal Gunshot Wound to the Head: The Impact of Aggressive Management, 89

FECAL INCONTINENCE

Outcomes Associated with Interstim Therapy for Medically Refractory Fecal Incontinence, 735

FEEDBACK

Commentary: Feedback Activities of Instructors During a Trauma Surgery Course, 313

FIBRIN GLUE

Oncologic Impact of Anastomotic Leakage in Rectal Cancer Surgery According to the Use of Fibrin Glue: Case-Control Study Using Propensity Score Matching Method, 840

FIBROMATOSIS

Prognostic Factors Influencing Event-Free Survival and Treatments in Desmoid-Type Fibromatosis: Analysis From a Large Institution, 847

FORMATIVE MIDTERM TEST

A Formative Midterm Test Increases Accuracy of Identifying Students at Risk of Failing a Third Year Surgery Clerkship, 260

G

GASTRIC BYPASS SURGERY

Mesenteric Irritation as a Means to Prevent Internal Hernia Formation after Laparoscopic Gastric Bypass Surgery, 739

Pre-Resection Gastric Bypass Reduces Postresection Body Mass Index But Not Liver Disease in Short Bowel Syndrome, 942

GASTRIC CANCER

Evaluation of the Prognostic Value of the Metastatic Lymph Node Ratio for Gastric Cancer, 555

Peritoneal Carcinomatosis in Patients with Gastric Cancer, and the Role for Surgical Resection, Cytoreductive Surgery, and Hyperthermic Intraperitoneal Chemotherapy, 78

GASTRIC RESECTION

Peritoneal Carcinomatosis in Patients with Gastric Cancer, and the Role for Surgical Resection, Cytoreductive Surgery, and Hyperthermic Intraperitoneal Chemotherapy, 78

GASTROINTESTINAL STROMAL TUMOR

Pancreas-Sparing Duodenectomy For Gastrointestinal Stromal Tumor, 578

GENERAL SURGERY

Cost and Logistics of Implementing a Tissue-Based American College of Surgeons/Association of Program Directors in Surgery Surgical Skills Curriculum for General Surgery Residents of All Clinical Years, 201

Higher Clinical Performance During a Surgical Clerkship is Independently Associated with Matriculation of Medical Students into General Surgery, 623

Obstructive Sleep Apnea in General Surgery Patients: Is it More Common Than We Think?, 436

Reliability of Robotic System During General Surgical Procedures in a University Hospital, 84

GENETIC BIOMARKERS

Evaluation of Genetic Biomarkers for Distinguishing Benign from Malignant Thyroid Neoplasms, 596

GRIT

The Relationship Between Grit and Resident Well-Being, 251

H**HAND MOTION**

Hand Motion Patterns of Fundamentals of Laparoscopic Surgery Certified and Noncertified Surgeons, 226

HARTMANN TAKEDOWN

Complications of Hartmann Takedown in a Decade of Preferred Primary Anastomosis, 60

HASHIMOTO'S THYROIDITIS

Quality of Life after Thyroid Surgery in Women with Benign Euthyroid Goiter: Influencing Factors Including Hashimoto's Thyroiditis, 974

HEAD INJURY

Fatal Gunshot Wound to the Head: The Impact of Aggressive Management, 89

HEALTH CARE COST

The Cost of Bariatric Medical Tourism on the Canadian Healthcare System, 743

Incremental Cost of Complications in Colectomy: A Warranty Guided Approach to Surgical Quality Improvement, 422

A Proposal to Reroute and Reform the Healthcare Money Trail, 996

HEALTHCARE REFORM

A Proposal to Reroute and Reform the Healthcare Money Trail, 996

HEALTHCARE SYSTEM

The Cost of Bariatric Medical Tourism on the Canadian Healthcare System, 743

HEALTH CARE SYSTEMS

A Booming Economy Means a Bursting Trauma System: Association Between Hospital Admission for Major Injury and Indicators of Economic Activity in a Large Canadian Health Region, 653

Rates and Indications for Surgical Breast Biopsies in a Community-Based Health System, 499

HELMET LAW

Repeal of the Michigan Helmet Law: Early Clinical Impacts, 352

HEMORRHAGE

Acute Coagulopathy in a Porcine Venous Hemorrhage and Ischemia Reperfusion Model, 637

HEMOTHORAX

Evaluation of Chest Tube Administration of Tissue Plasminogen Activator to Treat Retained Hemothorax, 960

HEPATECTOMY

The International Normalized Ratio Overestimates Coagulopathy in Patients after Major Hepatectomy, 723

HEPATIC RESECTION

Trends in Surgical Results of Hepatic Resection for Hepatocellular Carcinoma: 1,000 Consecutive Cases Over 20 Years in a Single Institution, 890

HEPATOCELLULAR CARCINOMA

Anatomic Resection Reduces the Recurrence of Solitary Hepatocellular Carcinoma 5 cm without Macrovascular Invasion, 863

Trends in Surgical Results of Hepatic Resection for Hepatocellular Carcinoma: 1,000 Consecutive Cases Over 20 Years in a Single Institution, 890

HERNIA REPAIR

Incidence and Risk Factors for Urinary Retention Following Laparoscopic Inguinal Hernia Repair, 288

Meta-Analysis of Sublay versus Onlay Mesh Repair in Incisional Hernia Surgery, 980

Permanent Mesh Results in Long-Term Symptom Improvement and Patient Satisfaction Without Increasing Adverse Outcomes in Hiatal Hernia Repair, 445

A Randomized Trial of Antibiotic Prophylaxis for the Prevention of Surgical Site Infection after Open Mesh-Plug Hernia Repair, 476

HIATAL HERNIA

Permanent Mesh Results in Long-Term Symptom Improvement and Patient Satisfaction Without Increasing Adverse Outcomes in Hiatal Hernia Repair, 445

HOSPITAL ADMISSION

A Booming Economy Means a Bursting Trauma System: Association Between Hospital Admission for Major Injury and Indicators of Economic Activity in a Large Canadian Health Region, 653

HOSPITALIZATIONS

Patient Experiences after Hospitalizations for Elective Surgery, 855

HOSPITAL READMISSION

Longer Length of Stay or Readmissions: Can We Achieve a Balance?, 457

Medicare Post-Discharge Deaths and Readmissions Following Elective Surgery, 326

Multiple Complications and Short Length of Stay are Associated with Postoperative Readmissions, 449

Predicting the Unpredictable: Comparing Readmitted Versus Non-Readmitted Colorectal Surgery Patients, 346

Readmission after Delayed Diagnosis of Surgical Site Infection: A Focus on Prevention Using the American College of Surgeons National Surgical Quality Improvement Program, 832

HUMANITARIAN SURGERY

The Hidden War: Humanitarian Surgery in a Combat Zone, 766

HYPERTHERMIC INTRAPERITONEAL CHEMOTHERAPY

Peritoneal Carcinomatosis in Patients with Gastric Cancer, and the Role for Surgical Resection, Cytoreductive Surgery, and Hyperthermic Intraperitoneal Chemotherapy, 78

HYPOCALCEMIA

Randomized Controlled Trial of Alfacalcidol Supplementation for the Reduction of Hypocalcemia after Total Thyroidectomy, 39

HYPOGLYCEMIA

Perioperative Intensive Insulin Therapy Using an Artificial Endocrine Pancreas with Closed-Loop Glycemic Control System: The Effects of No Hypoglycemia, 935

I**INCIDENCE**

Incidence, Risk Factors, and Outcomes of Perioperative Acute Kidney Injury in Noncardiac and Nonvascular Surgery, 53

Incidence and Risk Factors for Urinary Retention Following Laparoscopic Inguinal Hernia Repair, 288

INCISIONAL HERNIA

Meta-Analysis of Sublay versus Onlay Mesh Repair in Incisional Hernia Surgery, 980

Risk Factors for Umbilical Trocar Site Incisional Hernia in Laparoscopic Cholecystectomy: A Prospective 3-Year Follow-up Study, 1

INGUINAL HERNIA

Comparison of Laparoscopic versus Open Procedure in the Treatment of Recurrent Inguinal Hernia: A Meta-Analysis of the Results, 602

Incidence and Risk Factors for Urinary Retention Following Laparoscopic Inguinal Hernia Repair, 288

INJURY

A Booming Economy Means a Bursting Trauma System: Association Between Hospital Admission for Major Injury and Indicators of Economic Activity in a Large Canadian Health Region, 653

Trauma Recidivists: Surprisingly Better Outcomes Than Initially Injured Trauma Patients, 427

INSTITUTE FOR HEALTHCARE IMPROVEMENT

Reducing the Rate of Catheter-Associated Bloodstream Infections in a Surgical Intensive Care Unit Using the Institute for Healthcare Improvement Central Line Bundle, 817

INTENSIVE CARE UNIT

Reducing the Rate of Catheter-Associated Bloodstream Infections in a Surgical Intensive Care Unit Using the Institute for Healthcare Improvement Central Line Bundle, 817

INTENSIVE INSULIN THERAPY

Perioperative Intensive Insulin Therapy Using an Artificial Endocrine Pancreas with Closed-Loop Glycemic Control System: The Effects of No Hypoglycemia, 935

INTERHOSPITAL TRANSFER

Interhospital Transfer of Blunt Multiply Injured Patients to a Level 1 Trauma Center Does Not Adversely Affect Outcome, 459

INTERNAL HERNIA

Mesenteric Irritation as a Means to Prevent Internal Hernia Formation after Laparoscopic Gastric Bypass Surgery, 739

INTERNATIONAL NORMALIZED RATIO

The International Normalized Ratio Overestimates Coagulopathy in Patients after Major Hepatectomy, 723

INTERSTIM THERAPY

Outcomes Associated with Interstim Therapy for Medically Refractory Fecal Incontinence, 735

ISCHEMIA-REPERFUSION INJURY

Acute Coagulopathy in a Porcine Venous Hemorrhage and Ischemia Reperfusion Model, 637

J**J-POUCH COMPLICATIONS**

Semi-Urgent Surgery in Hospitalized Patients with Severe Ulcerative Colitis Does Not Increase Overall J-Pouch Complications, 281

K**KETOROLAC**

Use of Ketorolac is Associated with Decreased Pneumonia Following Rib Fractures, 566

KNOWLEDGE

Cutting Too Deep? Assessing the Impact of a Shorter Surgery Clerkship on Students' Clinical Skills and Knowledge, 209

Development of a Knowledge, Skills, and Attitudes Framework for Training in Laparoscopic Cholecystectomy, 790

Validity and Reliability of a Novel Written Examination to Assess Knowledge and Clinical Decision Making Skills of Medical Students on the Surgery Clerkship, 236

L**LAPAROSCOPY**

Comparison of Laparoscopic versus Open Procedure in the Treatment of Recurrent Inguinal Hernia: A Meta-Analysis of the Results, 602

Development of a Knowledge, Skills, and Attitudes Framework for Training in Laparoscopic Cholecystectomy, 790

Hand Motion Patterns of Fundamentals of Laparoscopic Surgery Certified and Noncertified Surgeons, 226

The Impact of Aptitude on the Learning Curve for Laparoscopic Suturing, 263

Incidence and Risk Factors for Urinary Retention Following Laparoscopic Inguinal Hernia Repair, 288

Long-Term Efficacy of Laparoscopic Cholecystectomy for the Treatment of Biliary Dyskinesia, 366

Mesenteric Irritation as a Means to Prevent Internal Hernia Formation after Laparoscopic Gastric Bypass Surgery, 739

Meta-analysis of Randomized Trials on Single-Incision Laparoscopic versus Conventional Laparoscopic Appendectomy, 613

Risk Factors for Umbilical Trocar Site Incisional Hernia in Laparoscopic Cholecystectomy: A Prospective 3-Year Follow-up Study, 1

Routine Upper Gastrointestinal Swallow Studies after Laparoscopic Sleeve Gastrectomy are Unnecessary, 897

LEADERSHIP

The Impact of Brief Team Communication, Leadership and Team Behavior Training on Ad Hoc Team Performance in Trauma Care Settings, 170

LEARNING CURVE

The Impact of Aptitude on the Learning Curve for Laparoscopic Suturing, 263

LENGTH OF STAY

Longer Length of Stay or Readmissions: Can We Achieve a Balance?, 457

Multiple Complications and Short Length of Stay are Associated with Postoperative Readmissions, 449

LIVER DISEASE

The Impact of Model for End-Stage Liver Disease-Na in Predicting Morbidity and Mortality Following Elective Colon Cancer Surgery Irrespective of Underlying Liver Disease, 520

Pre-Resection Gastric Bypass Reduces Postresection Body Mass Index But Not Liver Disease in Short Bowel Syndrome, 942

LOGISTICS

Cost and Logistics of Implementing a Tissue-Based American College of Surgeons/Association of Program Directors in Surgery Surgical Skills Curriculum for General Surgery Residents of All Clinical Years, 201

LOWER ANTERIOR RESECTION

Failing to Reverse a Diverting Stoma after Lower Anterior Resection of Rectal Cancer, 708

LOWER EXTREMITY ARTERIAL RECONSTRUCTION

Diabetes is Not Associated with an Increased Peri-Operative Mortality or Non-Infectious Morbidity Following Lower Extremity Arterial Reconstruction, 573

LOW MOLECULAR WEIGHT HEPARIN

A Retrospective Analysis of the Effectiveness of Low Molecular Weight Heparin for Venous Thromboembolism Prophylaxis in Trauma Patients, 648

LYMPH NODE METASTASIS

Evaluation of the Prognostic Value of the Metastatic Lymph Node Ratio for Gastric Cancer, 555

Metastatic Lymph Node Ratio in Stage III Rectal Carcinoma is a Valuable Prognostic Factor Even with Less Than 12 Lymph Nodes Retrieved: A Prospective Study, 824

M**MACROVASCULAR INVASION**

Anatomic Resection Reduces the Recurrence of Solitary Hepatocellular Carcinoma 5 cm without Macrovascular Invasion, 863

MAGNETIC RESONANCE IMAGING

Breast-Specific Gamma Imaging is a Cost Effective and Efficacious Imaging Modality When Compared with MRI, 698

MAGNET INGESTIONS

Pediatric Magnet Ingestions: The Dark Side of the Force, 754

MALIGNANT THYROID NEOPLASMS

Evaluation of Genetic Biomarkers for Distinguishing Benign from Malignant Thyroid Neoplasms, 596

MAMMOGRAPHY

Upgrade of High-Risk Breast Lesions Detected on Mammography in the Breast Cancer Surveillance Consortium, 24

MASSIVE PANNICULECTOMY

Massive Panniculectomy Results in Improved Functional Outcome, 441

MATRICULATION

Higher Clinical Performance During a Surgical Clerkship is Independently Associated with Matriculation of Medical Students into General Surgery, 623

MEDICAL STUDENTS

American College of Surgeons/Association for Surgical Education Medical Student Simulation-Based Surgical Skills Curriculum Needs Assessment, 165

Cutting Too Deep? Assessing the Impact of a Shorter Surgery Clerkship on Students' Clinical Skills and Knowledge, 209

Faculty and Resident Evaluations of Medical Students on a Surgery Clerkship Correlate Poorly with Standardized Exam Scores, 231

A Formative Midterm Test Increases Accuracy of Identifying Students at Risk of Failing a Third Year Surgery Clerkship, 260

A Framework for Professionalism in Surgery: What is Important to Medical Students?, 255

Higher Clinical Performance During a Surgical Clerkship is Independently Associated with Matriculation of Medical Students into General Surgery, 623

Is There a Place for Medical Students as Teachers in the Education of Junior Residents?, 271

Validity and Reliability of a Novel Written Examination to Assess Knowledge and Clinical Decision Making Skills of Medical Students on the Surgery Clerkship, 236

MEDICAL TOURISM

The Cost of Bariatric Medical Tourism on the Canadian Health-care System, 743

MEDICARE

Medicare Post-Discharge Deaths and Readmissions Following Elective Surgery, 326

MELANOMA

Clinical Impact of Sentinel Lymph Node Biopsy in Patients with Thick (.4 mm) Melanomas, 702

Pediatric Melanoma in New Mexico American Indians, Hispanics, and Non-Hispanic Whites, 1981–2009, 412

Prognostic Factors in Young Women with Cutaneous Melanoma, 102

Routine Restaging PET/CT and Detection of Initial Recurrence in Sentinel Lymph Node Positive Stage III Melanoma, 549

MENTORS

A Mentorship-Based Preclinical Elective Increases Exposure, Confidence, and Interest in Surgery, 179

MESENTERIC IRRITATION

Mesenteric Irritation as a Means to Prevent Internal Hernia Formation after Laparoscopic Gastric Bypass Surgery, 739

MESH
