

Supplementary Figure 1: Social Media Advertisement

This image was used to promote the research study on Facebook, Instagram and Twitter, and also attached to emails sent by the authors to colleagues in the LGBTQ healthcare and nonprofit sector.

**Are you
transgender or
gender
non-binary?**

**Has your access to
gender-affirming care**
(mental health, hormones, surgery)
been impacted by Covid-19?

If so, please consider joining our
web-based research study:
sites.duke.edu/transgenderhealthcovid
