

**Supplementary Table 5: COVID-19 Concerns and Barriers to Care**

Patients were asked to describe their concerns due to the pandemic, and what barriers they experienced seeking evaluation in an urgent care clinic. They were also asked to describe how the pandemic had impacted their approach to pursuing gender-affirming healthcare.

	<b>DUKE PATIENTS</b>	<b>NATIONAL PATIENTS</b>
<b>BARRIERS TO SEEKING MEDICAL CARE</b>	<b>PERCENT</b>	<b>PERCENT</b>
Finances	32%	27%
Fear of discrimination	27%	27%
Don't know where to go	23%	27%
Don't have transportation	18%	18%
